WOMAN'S CLUB
OF WISCONSIN

Est. 1876

A once-in-150-years celebration is coming.

Reserve your place at the Eras of Impact Gala,
honoring 150 years of women making their mark at
the Woman's Club of Wisconsin.

Celebrating Wisconsin's first club built and sustained
by women, this rare anniversary evening invites you
inside a place where history is not only remembered.
It is felt.

You feel it in the warmth of the welcome, the beauty
of the rooms, the stories held within the walls, and the
art of hospitality carried forward through generations.

It is the feeling of vision, courage, friendship, civic
spirit, and women gathering with purpose.

Be part of the legacy and help shape what comes next.

Space will be limited for this rare anniversary event.

Come in gala cocktail attire inspired by any era from
1876 to today.
